### Short Description

Dr Duck's Ax Wax is the ultimate all in one cleaning solution for your guitar. It'll clean and protect your whole guitar and it'll even lubricate and enhance your string life.

### Description

The ultimate Organic cleaning-polishing-moisturizing formula for all guitars and other musical instruments. (including brass, woodwinds, strings, etc..)

- Do the entire instrument (fretboard, headstock, front. sides, back, pickguards).
- Lubes and restores strings.
- Increases string life.
- Used by Professionals Worldwide ...
- Comes in a generous 4 oz. oval shaped bottle with an applicator flip top cap.
- Helps prevent fret oxidation.
- U.S. made with U.S. materials.
- Pleasant Fragrance
- Not an aerosol spray - safe for the ozone.
- Cleans and lubes bridge saddles and fine tuners on locking tremolo systems.
- Lubes tuning machine knobs and posts and strap locks..
- Unsurpassed as a raw wood conditioner... (fingerboards, bridges, etc..)
- A MUST to protect your instrument in all climates - dry or humid.
- Compliments and enhances the natural beauty of your instrument.

- This is the safest musical instrument cleaning-polishing-moisturizing formula in the World!!
- VERY FRIENDLY to delicate VINTAGE finishes as well as all modern instruments...
