Short Description

Stentor Student 1 3/4 size Violin complete with case and bow

Description

Stentor Student 1 3/4 size Violin complete with case and bow. Outfit consists of violin, bow, case and rosin. Solid spruce top with a solid maple base, solid maple sides and black stained rosewood pegs. It also has a hardwood chin rest with and there are fine tuners to help with string tuning. The wooden bow has natural hair. The lightweight case comes with a shoulder strap. An ideal starter set for a junior player.

What size violin should I buy

Stretch your left arm (if you are right handed) arm straight. Measure from your neck to the palm of your hand to determine what size violin you need. A quarter size violin is usually 19 inches long (48.25cm); a half size is 20.5 inches (52cm); three quarter size is 21 inches (53.3cm), and a full size violin is 23.5 inches (60cm).
